## QUICK MARRIAGE REMEDIES & SOLUTION

In Hindu astrology, pariharam refers to remedies or solutions that are performed to mitigate the negative effects of planetary positions or doshas in one's horoscope. Quick marriage is one such problem for which pariharam can be performed. Here are some pariharams that can help in getting a quick marriage: Perform a puja to Lord Shiva: Lord Shiva is considered as the god of marriage in Hinduism. Performing a puja to Lord Shiva can help in getting married quickly. The puja can be done on any auspicious day and should be performed with devotion and faith. Wear a diamond ring: Diamond is the gemstone that represents the planet Venus, which is responsible for love and marriage in one's horoscope. Wearing a diamond ring can help in removing any obstacles in getting married quickly. Chant the mantra of Venus: Chanting the mantra of Venus, "Om Shukraaya Namaha" can also help in getting married quickly. It is believed that chanting this mantra can help in removing any doshas in one's horoscope related to the planet Venus. Offer milk to Lord Krishna: Lord Krishna is also considered as the god of marriage in Hinduism. Offering milk to Lord Krishna can help in getting married quickly. The offering can be made on any auspicious day and should be done with devotion and faith. Perform a Navagraha Puja: Navagraha Puja is a powerful remedy that can help in balancing the planetary positions in one's horoscope. Performing this puja can help in removing any obstacles in getting married quickly. It is important to note that these pariharams should be performed with faith and devotion. It is also advisable to consult an astrologer to get a proper analysis of one's.

### SIGNIFICANCE OF MANGAL SUTRA / THALI

Mangal Sutra is a sacred thread worn by married Hindu women as a symbol of their marital status and commitment to their husbands. The word "Mangal" means auspicious or holy, while "Sutra" means thread or cord. It is believed to be a powerful symbol of love, respect, and commitment between the husband and wife. The Mangal Sutra is typically made up of two strings of black beads, gold, or other precious stones, tied together by a pendant, which is usually made of gold or diamonds. The pendant symbolizes the husband and is often in the form of a stylized representation of the god Vishnu or Shiva, or a traditional Indian design. The black beads on either side of the pendant represent the positive and negative energies of the universe and are believed to protect the couple from evil. The significance

of the Mangal Sutra lies in the fact that it is not just a piece of jewelry but a sacred thread that symbolizes the union of two souls. The thread is believed to represent the unbreakable bond between husband and wife, and the pendant represents the husband's commitment and protection to his wife. In Hindu culture, the Mangal Sutra is not just a symbol of marriage but is also believed to have several spiritual and social benefits. It is believed to enhance the longevity of the husband's life, ensure marital bliss, and protect the couple from negative energy and evil forces. It is a symbol of the promise that a wife makes to her husband to love, cherish and respect him for the rest of her life. The Mangal Sutra is also a symbol of the husband's promise to protect and care for his wife. The Mangal Sutra ceremony is an important part of Hindu marriage rituals. During the ceremony, the groom ties the Mangal Sutra around the bride's neck, signifying the couple's union in marriage. The Mangal Sutra is then blessed by the priest and the couple seeks blessings from their elders. Overall, the Mangal Sutra is a sacred and significant symbol of marriage in Hindu culture. It represents the love, commitment, and loyalty that a husband and wife have for each other and is a constant reminder of the bond that they share.

### SRI KALYANA VENKATESWARA SWAMY TEMPLE, SRINIVASA MANGAPURAM

The ancient temple of Sri Kalyana Venkateswara Swamy is located in Srinivasa Mangapuram, about 12 km to West Tirupati in Chittoor district. This ancient temple which is under the control of Archaeological Survey of India (ASI) is maintained by Tirumala Tirupati Devasthanams since 1967 and utsavams and rituals in this temple are being performed since 1981. Today, Sri Kalyana Venkateswara Swamy temple is considered sacred, next to Tirumala temple. Those who are unable to make it to Tirumala can have darshan of Lord Sri Kalyana Venkateswara Swamy to fulfill their wish. As the name indicates, this temple carries significance for newlywed couples. Newlyweds offer prayers first in this temple as this is the place where Lord

Sri Kalyana Venkateswara Swamy with Goddess Padmavathi Devi stayed for six months, just after their wedding.
